ABOUT THIS MARTA TIMETABLE

- Station abbreviations in the timetables match to stations on the map. For example, "ARPT" is Airport Station.
- "FIRST TRAIN" and "LAST TRAIN" indicate the first and last trains that will run each day.
- Some early morning trains after the first train but before frequency has been established may not be reflected in this schedule.

HOW TO PLAN YOUR TRIP WITH THIS TIMETABLE

- To follow a rail trip you read across the page.
- Locate your station on the map.
- Then find your station (or the one closest to it) on the timetable.
- When a blank appears under a station, it means that a train does not pass by that station on that particular trip. Times are given only for certain stations.
- Estimate the number of minutes it will take the train to get from the nearest Time Point to your station.
- Be at the rail station a few minutes early to allow for errors in estimation.

TRANSFERS

- All customers are required to have a valid Breeze Card loaded with appropriate fare to ride MARTA.
- Transfers are only available on a Breeze Card and are automatically loaded when you tap to board a bus or exit a rail station.
- If you pay with cash you will need to load your fare onto a Breeze Card to receive your transfer.
- Transfers cannot be used for round-trip travel.
- You are allowed 4 transfers within a 3-hour period.

NOTICE: Although MARTA makes every effort to operate its service as scheduled, times may vary because of necessary maintenance or single tracking. MARTA will provide notice of scheduled single tracking in advance.
